EDUCATION

Texas A&M University	**College Station, TX**
Bachelor of Science in Computer Engineering	*Aug 2018 - Dec 2022*
College of Engineering	*Cumulative GPA: 3.61*

Relevant Coursework: Differential Equations, Calculus (I, II, & III), Data Structures & Algorithms, Discrete Computing, Signals and Systems, Computer Architecture & Design, Electronics, Computer Systems

Awards: Altair Compose Student Competition – 3rd Place, TAMU Studio Website Building Competition - Winner

PROJECTS

HTML/CSS Website
- Developed my personal website from scratch using HTML, CSS, and JavaScript
- Website is responsive and adjusts accordingly to monitor, tablet, and mobile web browsers

Linux Shell
- Coded a functional C++ Linux shell that can execute functions and parse parameters
- Shell involved piping that could run multiple commands at once

TCP Client/Server
- Developed a client/server connection in C++ using TCP connections
- With this program, devices on the same network could connect and transfer data between each other

EXPERIENCE

Huffman Builders/CADRE Construction	**Austin, TX**
Marketing Designer and Sales Intern	*Jun 2018 – Jan 2021*

- Designed standalone websites to advertise professional parks and animal hospitals using HTML, CSS, and WordPress
- Real estate cold calling to Veterinarians, Dentists, and many other doctors throughout the Austin Metroplex
- Converted csv data into maps of the Austin, Waco, and San Antonio Metroplexes for sales

LEADERSHIP/INVOLVEMENT

Aggie Transition Camps	**College Station, TX**
Chair	*Feb 2021 - Present*

- Selecting and leading/overseeing 25 to 30 counselors to serve as mentors and advisors to A&M's incoming transfer students
- Responsible for organizing and planning camp logistics to best suit incoming transfer students during COVID-19
- Tasked with facilitating weekly meetings, pre-event planning, and raising thousands of dollars for camp expenses

Counselor	*Oct 2019 – Feb 2021*

- Advising and assisting 40+ transfer students who are new to Texas A&M for a period of ~1 year

Sophomores Leading and Motivating	
Member	*Sep 2019 – May 2020*

- An organization that acts as a gateway to many different paths of service around the Bryan/College Station area such as facilitating fundraising for our philanthropy "Voices for Kids", cleaning up the public, and supporting other students

SKILLS

Coding Languages: Python, C++, HTML, CSS, JavaScript

Programs: Photoshop, Verilog, Autodesk Inventor, WordPress, Microsoft Excel, Unity
